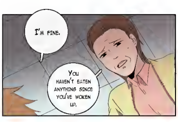
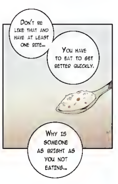
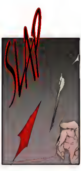
Young master...
Please eat this at least.

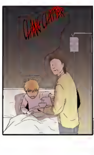


I'm fine.
You haven't eaten anything since you've woken up.



Don't be like that and have at least one bite..
You have to eat to get better quickly.
Why is someone as bright as you not eating..





CLANG CLATTER

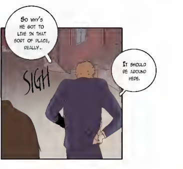
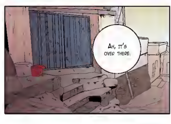
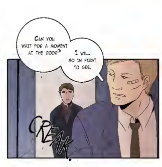
Other people barely scraping by live here, but he actually has a nice place



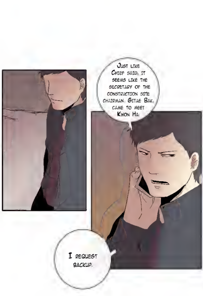
So why's he got to live in that sort of place, really..
SIGH
It should be around here.



Ah, it's over there.

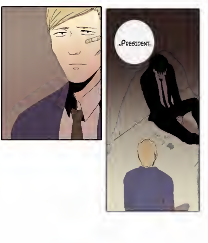


Can you wait for a moment at the door?
I will go in first to see.
CREAK



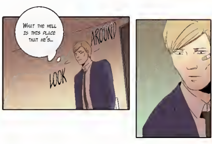
Just like Chief said, it seems like the secretary of the construction site chairman, Gitae Bak, came to meet Kwon Ha.
I request backup.

SQUEAK
STEP

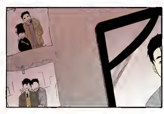


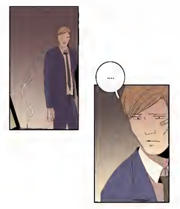
...President.

FLASH

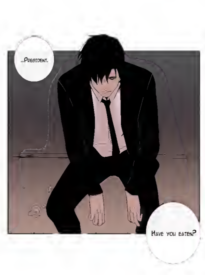


What the hell is this place that he's...
AROUND
LOOK

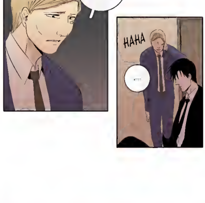




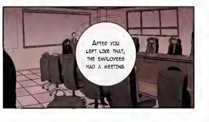
...



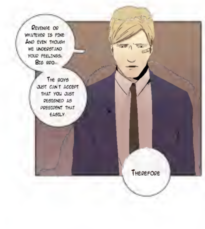
...President.
Have you eaten?



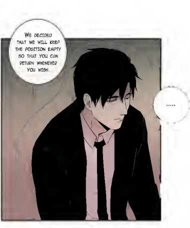
You're still the nominal president of Prestige, yet look at you..
You should go out and at least eat properly
HAHA



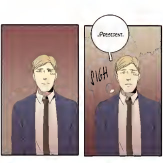
After you left like that, the employees had a meeting.



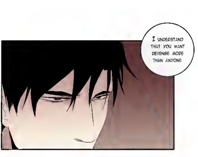
Revenge or whatever is fine. And even though we understand your feelings, Big bro..
The boys just can't accept that you just resigned as president that easily.
Therefore



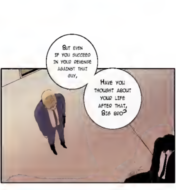
We decided that we will keep the position empty so that you can return whenever you wish...
.....



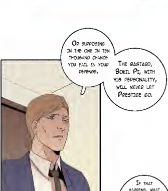
...President.
SIGH



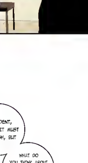
I understand that you want revenge more than anyone



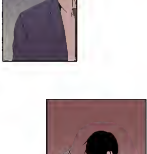
But even if you succeed in your revenge against that guy,
Have you thought about your life after that, Big bro?



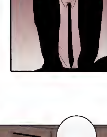
Or supposing in the one in ten thousand chance you fail in your revenge,
The bastard, Bokil Pi, with his personality, will never let Prestige go.

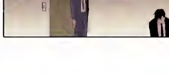


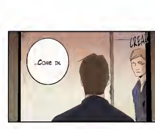
If that happens, what will happen to us trying to live diligently as you wished, president...
FLINCH



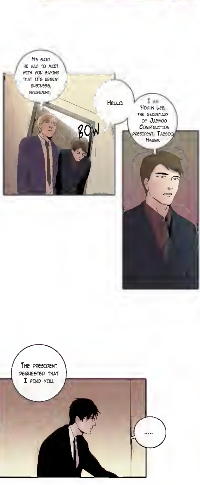
...President. I know it must be tough, but
what do you think about borrowing the power of the law?



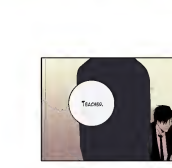




...Come in.
CREAK



He said he had to meet with you saying that it's urgent business, president.
BOW
Hello.
I am Hosun Lee, the secretary of Jaewoo Construction president, Taesoo Heung.



The president requested that I find you.
.....
